ABOUT FEKETE SEREG IFJÚSÁGI EGYESÜLET:

Fekete Sereg was founded in 1997 as a youth association. The association's goal is to ensure that the young residents of our village, Nagyvázsony, engage in productive activities during their free time. We aim to assist young people facing challenges and support community initiatives within the village. Our youth center has been running since 1999. Since 2005, we have actively participated in the EVS and ESC programs, hosting a total of 291 volunteers. We also actively promote and facilitate cultural exchanges between our volunteers and the local villagers.

ABOUT

NAGYVÁZSONY

In the west part of Hungary not so far from the lake Balaton you'll find the village Nagyvázsony (pronounced like Nodjvashon) where approximately 1800 inhabitants live. It has a primary school, a kindergarten, three little supermarkets, a bank, a post office, a café, some hotels, a small gym, our youth center and a lot more. Besides, Nagyvázsony is famous for its castle from the middle ages which is why tourists visit Nagyvázsony as well. Here you can find a short movie about Nagyvázsony.
