

Rückenwind HEALTHY LIVING IX

European Solidarity Corps

13.06.2022 – 04.07.2022

Mühlviertel, Oberösterreich

Your mission

Together with other volunteers from Tyrol and Europe, you will plant trees, produce herbal tea and tend your own vegetable garden! You will be accompanied by Christl Schober, a well-known nutritionist, beekeeper and mental coach. The harvested products are processed and made available to the social centre. In cooperation with the municipality, they also help to renovate local premises for local associations.

Short facts

- You will live together in a house with the other volunteers. Attention: You might have to share your room!
- You will be accompanied by two Austrian social workers throughout the project.
- Travel days: 13.06.2022 and 04.07.2022. Please arrange your journey to us in consultation with us.
- You will get 5€/day pocket money paid out on a weekly rate. Other costs like food, housing, travel expenses (up to a certain amount), insurance etc. are covered!
- You will work 35 hours/week and have two days off every week; two vacation days (taken with the whole group) are included too.
