ABOUT FEKETE SEREG IFJÚSÁGI EGYESÜLET

Fekete Sereg was founded in 1997 and it is a youth association. The goal of the association is to assure that the youngsters in our village Nagyvázsony spend their free time with useful activities. We want to help the young people who are struggling and support the initiations of the community in the village. Our youth center has been running since 1999. The association has been working with the EVS and ESC programs since 2005 and so far we have hosted 244 volunteers. In addition, it helps to create an exchange between volunteers and villagers.

ABOUT THE VILLAGE NAGYVÁZSONY

In the western part of Hungary not so far from the lake Balaton, you'll find the village Nagyvázsony (pronounced like Nodjvashon) where approximately 1800 inhabitants live. It has a primary school, a kindergarten, three little supermarkets, a bank, a post office, a café, some hotels, a small gym, our youth center and a lot more. Besides, Nagyvázsony is famous for its castle from the middle age which is why tourists visit Nagyvázsony as well.

Here you can find a short movie about [Nagyvázsony](#).

ABOUT YOUR WORK

Kindergarten work

You can work in the kindergarten of Nagyvázsony called Mesevár óvoda és bölcsőde. There are five different groups and each group has two teachers. Your task is to help them with their daily life e.g. with dressing and undressing, playing games, singing songs, sportive activities, painting, making decorations, etc.

Media work

If you would like to improve your media skills for example filming, editing videos, photography, and updating our social media (posts, stories, reels) we are happy to give you the possibility to work in this field. It can be about our association, volunteers daily life, village... Use your imagination!

Youth center work

You can work in our youth center where local youngsters come to spend their time after school and work. The youth center has e.g. a table football, ping pong, and cards which you can play with the youngsters or you can chat with them. The most important thing is to communicate.

English language tutor

If you like teaching, once a week you can work in another village called Somlóvásárhely in an afternoon school and help children with their English homework and support their studies.

Preparation work

In the summer and at end of November, we usually host groups of short-term volunteers who are coming from all across Europe for three weeks. Before their arrival, you can help us with the preparations e.g. make an infopack. During their stay, you can join them in workshops.

Archeologist assistant

If you are interested in archeology or are a student, you can work twice a week in a museum as an archeologist assistant. Your job would be supporting their photo achieves, social media, and going to the excavations.

Do it yourself

In spring, summer, and autumn when the weather is sunny there are a lot of things to do in the village, for example, repaint benches or repair fences.

Football trainer

If you play football or like sports, you have the opportunity to support the trainer of the local football club with children's football training twice a week. You can plan exercises for children aged 4-10 and inspire them in their sport hobby.

GOOD TO KNOW

ACCOMMODATION

You will stay in the volunteer's flat in Nagyvázsony. In total, it has five beds divided into two rooms so you will share your room. The house has also a toilet, a bathroom, a kitchen, and a living room. There are some bedsheets and towels but you can also bring your own. The flat has a washing machine.

INTERNET

The flat has Wi-Fi for which you should pay 1000 HUF (around 3 EUR) per month. In addition, there is free Wi-Fi in our youth center.

POCKET MONEY

You'll receive monthly pocket money about 5 EURO/day, and food money about 3 EURO/day.

MEALS

Breakfast, lunch, and dinner are not provided. You can either cook for yourself or buy food at the cafe.

WORKING TIME AND HOLIDAYS

Your volunteering service endures 2 months. There is no fixed starting date so you can come whenever you are ready. In daily life the volunteers work six hours per day (30h per week) and have two days off per month.

TRAVELLING

Since the village is small you don't need any local transport. Everything is just a five minutes walk from your home. On holidays or weekends, you can use public transport to go to visit neighboring towns or Budapest. Buses leave frequently from Nagyvázsony and are not expensive.
